The **Ecole Nationale de Mode et Matière**, Paris Fashion School by PSL aspires to train the fashion and textile talent of the future.

Uniting the expertise and know-how of three prestigious institutions - **EnsAD** for design, **MINES ParisTech** for innovation, and **Paris-Dauphine University** for strategy - the Paris Fashion School by PSL respects, in all of its programs, the principles on which it was founded: creativity, strategy, and innovation.

By launching a Summer School, the Paris Fashion School by PSL seeks to make its excellent creative resources available to an outside audience passionate about fashion: from beginners to advanced students, everyone will find in the Summer School a space to grow, pursue their passion, or find their career path.

The **Ecole Nationale de Mode et Matière**, Paris Fashion School is part of the PSL - Paris Sciences Lettres association of universities and higher education institutions.
